

# CAR PARKING

## for Splashpoint Leisure Centre

We have produced this leaflet to give you information on parking in the local area, including alternative local sites to use with free parking, and travel options incorporating public transport and car parking information.

### Parking Overview:

- Splashpoint is one of 5 centres operated by South Downs Leisure and the following parking provisions are available elsewhere:
- An additional 22 parking spaces were recently established at Worthing Leisure Centre – South Downs Leisure's largest leisure complex. The total parking provision at this site now equates to 230 spaces.
- 55 additional parking spaces have been instated at Field Place Manor House, significantly improving parking provision within this facility and bringing the total parking to 125 spaces.
- Worthing College has room to accommodate over 200 cars across the site.
- Davison Leisure Centre has also recently extended its parking provision and now has 93 spaces on site.

### Think smart

Please consider the following action in order to help assist other users:

If you can leave your car at home, please do so. Some customers **HAVE** to drive in order to access our facilities so lets work together to maximise space available.

Why not build the following into your exercise programme:

- WALK • CYCLE • RUN

Or

- Lift share with other users
- Public transport –

This document is provided as a guide, for full details please check [www.westsussex.gov.uk/roads-and-travel/traffic-regulation-orders/about-tros/view-tro-restrictions-by-map/traffic-regulation-order-tro-map/](http://www.westsussex.gov.uk/roads-and-travel/traffic-regulation-orders/about-tros/view-tro-restrictions-by-map/traffic-regulation-order-tro-map/) and always check the signage located in each street.

We appreciate this is far from convenient and unfortunately unavoidable and under constant review. The six spaces immediately in front of Splashpoint will be allocated for swimming and group exercise instructors to enable them to cover classes and continue to provide a smooth service to our customers.
